

**TRUST YOUR ANGELS NEWSLETTER: Jan - Feb 2006**

**JANUARY / FEBRUARY 2006**

**Hello Everyone,**

**As most of you know, I have been appearing on the internet radio show, UNIVERSAL SPIRITUAL CONNECTION, on [www.AchieveRadio.com](http://www.AchieveRadio.com).**

**From the first show, it has been a honor and privilege to appear with LeiLani Schmidt, a noted minister and healer in the Phoenix area. During the time with her, we have been working on a number of concepts for the radio show. One of the concepts is the ANGEL OF THE MONTH.**

**After a lot of research and work, I have been led to a text that helps us know which Energy of which Angel is strongest for that time period of the year. Each Angel highlighted on ANGEL OF THE MONTH will of course be present all year long.**

**But according to the powers that be, an Angel and his/her warriors, assistant Angels, associate Angels are working for that period of time the strongest. If you have heard of the White Brotherhood, the Brotherhood of Angels on Earth now, you will understand that the Brotherhood is gigantic, with thousands of Angels of Earth, helping us cope each day with our journey. I have had personal experience with this Brotherhood. When it happens to you, it is unforgettable.**

**It is then that you know that the Brotherhood is here on Earth, assisting us to attain knowledge, awareness and spiritual growth. There is nothing to be afraid of. Just know that out there are thousands of Angels, all around the world, assisting us.**

**They can appear in any venue or dress. Lots of times they are in all white. White hat, white clothes, white shoes. Maybe even driving a white car. Sounds incredible, but it is true.**

**They may appear dressed poorly, in rags, so to speak. They may appear as a total stranger, coming to you to help when you least expect it, and then**

disappearing after they help. You look all around, after they have helped you, but they seem to just disappear.

So on this email list, I am going to present the ANGEL OF THE MONTH. It will be a regular part of the TrustYourAngels.com email list. I may repeat the Angel, as for January, it is the same Angel each year.

The ANGEL OF THE MONTH for January is Archangel Gabriel. Gabriel means "God is my strength." He is also known as Bahman in Persia. In Hebrew, Gabriel means, "hero of God."

To get the New Year started, Gabriel has been selected as he is one of the 2 highest ranking Angels in Judaeo-Christian and Mohammedan religions. Gabriel is the Angel of Annunciation, Resurrection, Mercy, Vengeance, Death, and Revelation.

Archangel Gabriel presides over Paradise, or Heaven. He is the ruling prince of the First Heaven. He is said to sit on the left-hand side of God. It is said that God's dwelling is in the 7th and 10th Heavens also.

He is said to be the Spirit of Truth. Archangel Gabriel is mentioned many times in the Bible. He is said to be the Prince of Justice. He is said to be the chief of the Angelic Guards, who watch over Heaven. It was Gabriel who saved the 3 Holy Men in the Bible. These men were Hananiah, Mishael, and Azariah, who were rescued from the furnace. They say it was Archangel Gabriel who wrestled with Jacob as the "dark antagonist."

Gabriel is the Angel who guided Joseph. Joan of Arc said that it was the Archangel Gabriel who inspired her to go to the King of France.

Archangel Gabriel is said to be the angel who visited Father George Rapp, leader of the 2nd Adventist group in New Harmony, Indiana. It is said he left his footprint on a limestone slab preserved in the yard in a residence in that city.

Archangel Gabriel has appeared in many paintings. He is pictured as the angel who brings glad tidings to Mary. God dispatched Gabriel to Nazareth, where he announced to Mary that she would conceive a son through the Holy Spirit, and should name him Jesus.

For us, Archangel Gabriel is the Angel of Revelation. Gabriel heralds for us the New Year. The dawn of new beginnings. He reveals to us our humanness, our courage, our bravery in starting a New Year filled with promise.

It is revelation that is Gabriel's trademark. He beckons us to listen. To come forward, to have no fear. He is an Angel of the Lord, and we can explore the

**unknown with his protection. Archangel Gabriel stands at the threshold to the gateway to the mysterious and to your higher consciousness. He is ready to reveal secrets and to serve as your guide and protector as you enter the New Year.**

**He reminds you to look to your dreams for answers. Rely on your insight, intuition and awareness. He rules over what is hidden, and so you must look into the depths of your core, and read between the lines of those around you.**

**Archangel Gabriel starts the New Year with the revealing of answers. He also points out when the answers are right in front of you, they just seem to be hidden. Sometimes the information we need to know is being kept from us by others. Sometimes we have to be aware and knowledgeable about this possibility.**

**Just know that with the power of Archangel Gabriel with us for the New Year, we can move forward to the unknown of the future with protection and grace.**

**We all have a lot to look forward to in 2006. I hope all of you use the power of Archangel Gabriel to start your New Year.**
